RE: NHDES Wetlands Bureau File #2004-339, Moreau, Tolend Road, Dover Tax Map C / Lots 39B & 39D

Dear Mr. Moreau:

As you are aware, The Department of Environmental Services ("DES") Wetlands Bureau received a report from your agent, B.H. Keith Associates, with photo documentation of the wetland restoration area for the above referenced property on November 1, 2005.

As a result of this report, it is determined that the deficiencies described in the DES letter of March 18, 2004 have been corrected and no further monitoring is required. DES will close its enforcement file regarding the Property. DES reserves the right to reopen this matter should additional information be received regarding additional violations on the Property.

Thank you for your assistance to bring this matter to a resolution. Should you have any questions, please contact me at (603) 559-1514 or e-mail me at dprice@des.state.nh.us.

Sincerely,
